Secretary's Report

Secretary Schaper has requested that we donate or sell the original laptop since it is very old and the current programs and applications will not run. It is not upgradeable. Also, Brother Schaper has requested that the Lodge switch web providers to www.land1.com. This would provide a larger but simpler e-mail account for users and also provide more features for our web page, including password protected "members only" pages. The cost would actually be less than www.godaddy.com.

We are still looking for a place to place our soda machine. If you have any ideas, contact John Schaper at 480-612-1250 or e-mail the lodge at: communications@tempefop.org
